Work Incentives

Accessing Today's Webinar

- The audio for today's webinar is being broadcast through your computer. Please make sure your **speakers are turned on** or your **headphones are plugged in**.
- You can control the audio broadcast via the audio broadcast panel.
- If you accidentally close the panel, you can re-open by going to the **Communicate menu** (at the top of the screen) and choosing **Join Audio Broadcast**.

Accessing Today's Webinar, *continued*

If you do not have sound capabilities on your computer or prefer to listen by phone, dial:

Toll-Free number:
1-800-832-0736

Access code:
8458462

Webinar Accessibility

Captioning

Real-time captioning is provided during this webinar.

- The captions can be found in **Captioning pod**, which appears in the lower-right corner of the webinar platform.
- You can also access captioning
online:<http://www.captionedtext.com/client/event.aspx?CustomerID=846&EventID=2884257>

Questions and Answers (Q&A)

- **For Q&A:** Please use the Q&A box to submit any questions you have during the webinar and we will direct the questions accordingly during the Q&A portion.
- If you are listening by phone and not logged in to the webinar, you may also ask questions by emailing questions to webinars@choosework.net.

Please note: This webinar is being recorded and the archive will be available within two weeks on the Choose Work website at <http://www.choosework.net>.

Technical Assistance

If you experience any technical difficulties during the webinar, please use the chat box to send a message to the host Nakia Matthews, or you may also email nmatthews@ndi-inc.org.

Agenda

Questions and Answers

Presentation Team

What is Financial Independence?

What is Financial Independence?

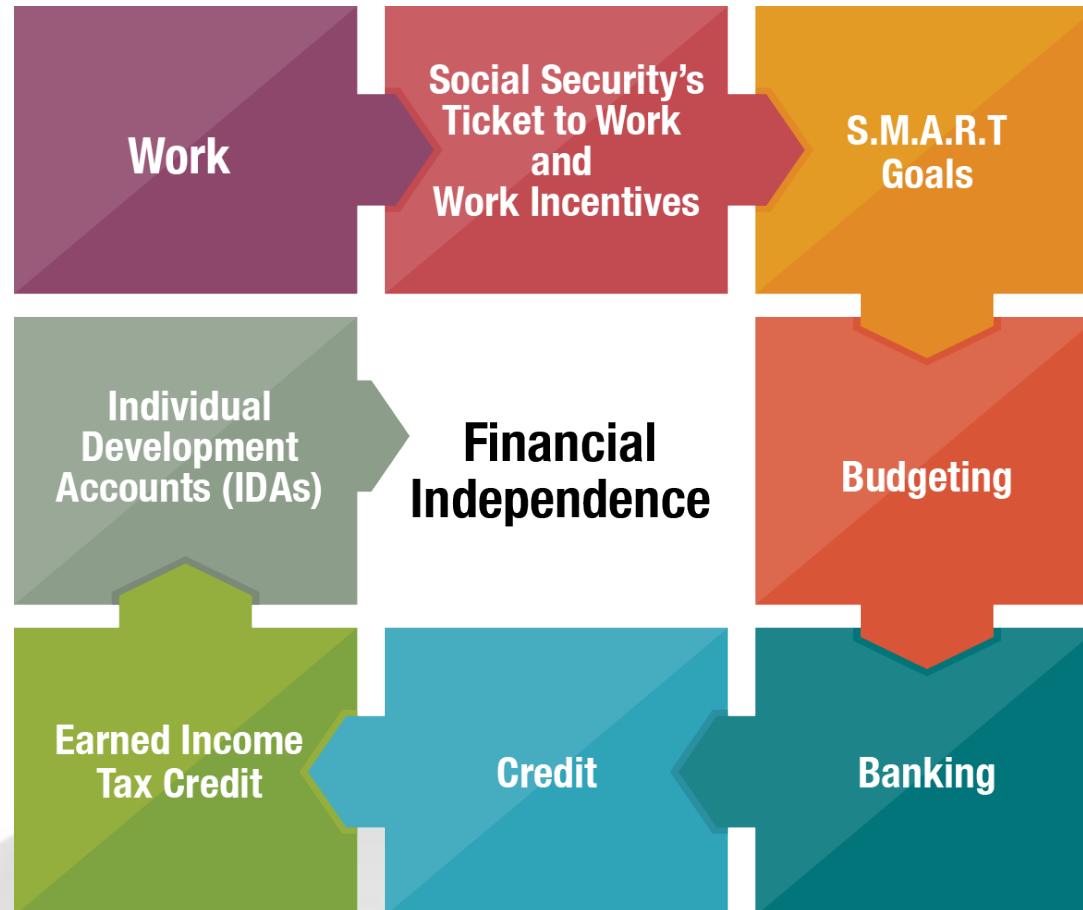

Financial independence means

- Being able to support yourself to **meet your wants and needs**;
- Being able to **make choices and have options** about what you buy, where you live, and what you do with your free time; and,
- Not being limited by Social Security disability benefits by**working your way off of cash benefits** whenever possible.

Is Financial Independence Possible for Me?

Today, we'll give you an overview of programs, services and incentives that you can use to **get on the road to financial independence.**

Tools for Financial Independence

How Do I Get Started?

Step One - Set a Goal

- Setting a goal gives you something to **focus on and work towards.**
- By creating **S.M.A.R.T. goals** for yourself, you can make your dream of financial independence **a reality.**

Being S.M.A.R.T. means

Specific – Have a precise goal

Measurable – How will you know if you are working towards your goal?

Attainable – Have a plan to achieve your goal

Realistic – Make sure your goal is something you are willing and able to work towards

Timely – Set a date for achieving your goal

You have a goal. Now what?

Identify money to help you reach your goal.

- Cost savings;
- Money owed to you; and
- Earned income.

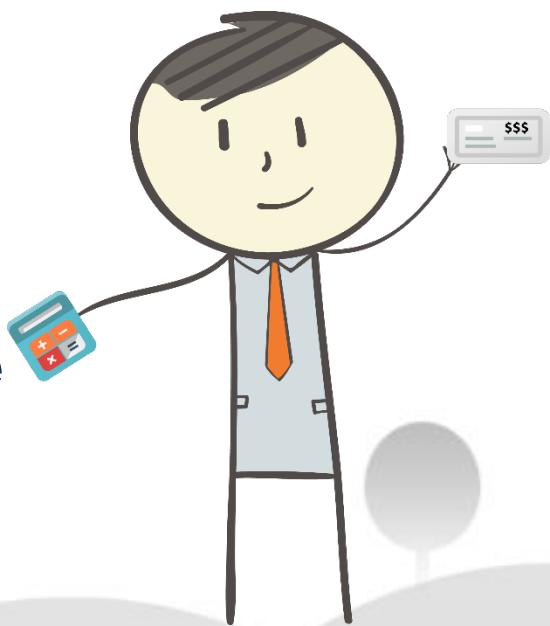

How to Create a Budget

You may need a budget to help you make the best use of your money and to help you reach your goal.

A budget

- is a **plan** of your expenses and income for a period of time, like a month or a year; and,
- can help you to **see how much money you have, where you're spending it, and where you can save.**

Need Help Creating a Budget?

Contact your local **Center for Independent Living**. Find the location nearest you by going to:

www.ilru.org/html/publications/directory/index.html

For more budgeting information, check out:

Money Smart -

www.fdic.gov/consumers/consumer/moneysmart/index.html

Zero-Balance Spending Plan - <http://ndi.elogiclearning.com/>

Affordable Financial Services

Having a **savings** and a **checking** account at a bank allows you to access your money:

- A **savings account** will keep your money safe while you save for your goal!
- A **checking account** will give you quick access to your money to pay for bills to buy things while keeping your money safe.

Need More Information on Opening a Bank Account?

You have many choices when selecting a bank. Some banks offer online services, direct deposit, and much more. Ask about your options before you decide.

- **Bank on programs** work with banks and credit unions to make it easier for you to join:
<http://www.joinbankon.org>
- To find a **credit union** in your area, visit:
www.mycreditunion.gov/Pages/default.aspx

Credit: Another Tool for Becoming Financially Independent

Credit is your **reputation as a borrower**.

- Having **good credit** means that banks and businesses will let you buy an item before you pay for it.
- If you have good credit, it's easier to get **loans** from the bank for large items, like a home or car, and to pay for **emergency expenses**.

Want to Learn More about Your Credit?

Here are some credit resources:

- Pull your free annual credit report to learn what's on your record at www.annualcreditreport.com
- Contact credit reporting agencies to address errors or visit www.consumerfinance.gov with questions.
- Get support in decreasing your debt and working on your credit at www.nfcc.org

Earned Income Tax Credit

Did You Know that the IRS Can Give You a Tax Credit for Working?

The Earned Income Tax Credit (EITC):

- A tax credit for low to moderate income workers ages 25 – 64 or 18 – 64 with a qualifying child;
- You can file for it **even if you didn't earn enough to have to file taxes**; and,
- You **can file for the credit even if the tax year has passed**, up to three years back.

Did You Know that the IRS Can Give You a Tax Credit for Working? *Con't*

- Using the EITC you can put up to **\$6,269 (2016) / \$6,242 (2015) / \$6,143 (2014)** into your pocket.
- If you have earnings from work, all you need to do is file for it!

Need More Info on the Earned Income Tax Credit?

Contact

- **Volunteer Income Tax Assistance (VITA)**
1-800-906-9887
- **American Association of Retired Persons (AARP)**
1-888-227-7669
- For more information about EITC visit www.irs.gov/eitc

Ways to Save Money to Reach Your Goal

Ways to Save Money to Reach Your Goal

As you start working toward your goal, you should learn about

- Your asset limit
- ABLE Accounts
- IDA Programs

Know Your Asset Limit

Some Social Security benefits recipients may have an asset limit:

- SSDI has no asset limit
- SSI has a \$2,000 asset limit
- Other benefits you receive may have an asset limit.

ABLE Accounts

What are ABLE Accounts?

ABLE accounts:

- Are qualified **savings accounts** that receive preferred federal tax treatment (529);
- Total annual contributions may not exceed the federal gift tax limit, which is currently \$14,000;
- Aggregate contributions may not exceed the state limit for 529 savings accounts.

Who is eligible to be an ABLE account beneficiary?

To be eligible, individuals must meet two requirements:

1. Age requirement: must be disabled before age 26
2. Severity of disability:
 - Have been determined to meet the **disability requirements** for Supplemental Security Income (SSI) or Social Security disability benefits (Title XVI or Title II of the Social Security Act);

OR

- Submit a “**disability certification**,” including a physician’s diagnosis, that the individual meets certain criteria.

How do ABLE Account Assets Affect Eligibility for Federal Benefits?

ABLE assets

- will be disregarded or receive favorable treatment when determining eligibility for most federal means-tested benefits.

For SSI only

- the first \$100,000 in ABLE account assets will be disregarded.
- SSI payments will be suspended if the beneficiary's account balance exceeds \$100,000 but SSI benefits (eligibility) will not be terminated.

Looking for More Information on ABLE?

Visit the ABLE National Resource Center online at

<http://www.ablenrc.org/>

Individual Development Accounts

What is an Individual Development Account (IDA)?

- An IDA can help put you on the road to financial independence.
- An IDA is great because **it will match every dollar as you save** for your goal.
- **Matched amounts start at \$1** and up for every dollar you save.

What Can an IDA Help You Fund?

- **Home Ownership**
- **A college education** including text books
- **Starting your own business** and business capital;

- IDA programs vary, so investigate the options available to you in your area.

Where Can You Learn More about IDAs?

- IDAs are not available in all states. To see if an IDA is offered in your area go to: <http://idaresources.org/afigrantees>
- For more information on how IDAs can work for you, visit: <http://cfed.org/programs/idas/>
- Learn how an IDA works when you receive SSI, <https://www.socialsecurity.gov/ssi/spotlights/spot-individual-development.htm>

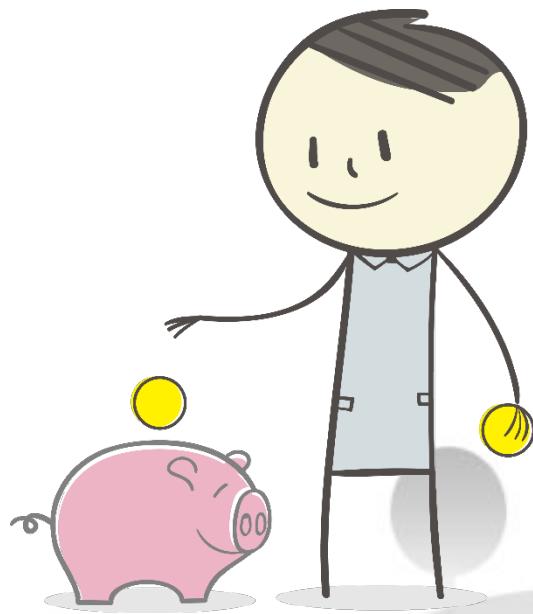

Financial Independence: Is it Possible for Me?

Financial Independence: Is it Possible for Me?

Yes, financial independence is possible!

With hard work, planning, education, training, and support from Social Security and other resources, you can have a good job, good career, and a better, self-supporting future.

Are There Risks?

- Absolutely, which is why you need to be smart.
- Be informed by getting to know Social Security's Ticket to Work and Work Incentives programs. They can help you navigate to a good job, a good career, and a better, self-supporting future.

Follow the Rules

- Learn how and when to report your earnings from work to Social Security and other benefits providers; and,
- Keep good records; it will help you take advantage of work incentives and avoid overpayments.

Remember...

Take advantage of the **resources** we've talked about today. We're here to **help you succeed** in reaching your goals and **achieving greater financial independence!**

The more you know,
the safer your money.
